SUMMONS.

IN THE DISTRICT COURT OF THE STATE of Nevada, in and for the county of Washoe. The State of Nevada sends to Archibald Gibson Greeting: You are hereby required to appear in an action commenced against you as defendant by A. E. Gibson, as plaintiff, in the District Court of the State of Nevada, in and for the county of Washoe, and answer the complaint therein within ten days after the service on you of this summons (exclusive of the day of service), if served in said county, or twenty days if served out of said county but within said district, and in all other cases forty days; or judgment by default will be taken against you according to the prayer of said complaint. The said action is brought to recover the judgment and decree of the Court dissolving the bonds of matrimony heretofore and now existing between you and this plaintiff, upon the grounds of desertion and failure to provide plaintiff with common necessities of life, though abundantly able to do so, all of which will more fully appear from the complaint which is on file in the office of the Clerk of said Court at Reno, in said county, and to which you are especially referred. And you are further notified, that if you fail to appear and answer said complaint, the said plaintiff will apply to the Court for the relief demanded.

In testimony whereof, I have hereunto set my hand and affixed the seal of said Court this 3d day of March A. D. 1890.
T. V. JULIEN,
Clerk of the District Court of the State of Nevada, in and for the county of Washoe.

SUMMONS.

IN THE DISTRICT COURT OF THE STATE of Nevada, in and for the County of Washoe. The State of Nevada sends to Vincenzo Alberti, defendant, greeting: You are required to appear in an action commenced against you as defendant by Maria Alberti, as plaintiff, in the District Court of the State of Nevada, in and for the County of Washoe, and answer the complaint therein within ten days after the service on you of this summons—exclusive of the day of service—if served in said county, or twenty days if served out of said county, but within said district, and in all other cases forty days; or judgment by default will be taken against you according to the prayer of said complaint. The said action is brought to recover the judgment and decree of the said Court dissolving the bonds of matrimony now existing between you and said plaintiff, on the grounds of extreme cruelty on your part toward her, practiced by you since the marriage between you and said Maria Alberti, all of which will more fully appear from the complaint which is on file in the office of the clerk of said court at Reno, in said county. And you are further notified that if you fail to appear and answer said complaint, the said plaintiff will apply to the Court for the relief demanded.

In testimony whereof, I have hereunto set my hand this 13th day of February, A. D. 1890.

BREVITIES.

Judge Rising, of Storey, went below last night.

Ripe strawberries in the San Francisco markets.

The Odd Fellows' ball on the 25th will be a grand affair.

John Mackay was a passenger for the Comstock yesterday.

Bob Logan, of Carson river mill fame, was in town yesterday.

C. P. Huntington will be the new President of the Southern Pacific.

"The Great Metropolis" to-morrow night had not to-night as heretofore advertised.

The annual meeting of the stockholders of the Verdi Mill Co. will be held at Verdi to-morrow.

Help the High School piano fund out by buying a ticket to their entertainment Friday evening.

Reno needs a first-class furniture store. An enterprising man would do a good paying business here.

Allen A. Curtis, formerly of Paxton & Curtis, came up from the Bay yesterday, and spent the day in Reno.

The remains of Herbert Geiger, who committed suicide at Wadsworth, were taken to Virginia City yesterday.

Ex-Congressman Woodburn came down from Virginia last night en route to Valjejo, to complete a sale of his White Sulphur Springs property.

H. Engelbrecht, who started the pioneer cigar factory of San Francisco, and is still engaged in running his factory, is in Reno, visiting H. J. Thyes, his nephew.

An assessment of 20 cents was yesterday levied by the North Belle Isle Mining Company, and one of 15 cents per share by the Navajo—both Tuscarora incorporations.

The sheep shearers began barbing in Mason valley last Monday. They will be at work several weeks, as it is estimated that 20,000 head will be sheared there this season.

Mason valley ranchers are now busy building levees to keep the water out of their ditches, while last year they were lawing because there was not enough water in their ditches.

"The Great Metropolis" Company were passengers for Carson yesterday morning, where they appear to-night. The company will appear here Thursday instead of Wednesday evening on account of missing connection east of Reno.

The Young Ladies' Guild will give an entertainment in the Pavilion next Wednesday evening. The admission will be 50 cents, and the new features to be introduced will be well worth the price of admission. Dancing will also be indulged in.

The Tuscarora Times-Review says between the Sixteen-mile Station and the Adobes, on the Elko road, there is about a mile that is a perfect lake, formed from the melting snow, and water running from the hills. Yesterday the horses on the stage had to be unhitched and be taken around on the hillsides, packing the baggage and freight, leaving one wagon on the other side, and taking another at the Sixteen-mile Station. This condition of things is likely to last several days.

Athletic Club Rooms for Reno.

Reno proposes to have a large club house built on Powning's addition modeled after the California Athletic Club, where glove matches can be fought without police interference. Is Christopher's addendum outside the jurisdiction of the Federal, State, County and Municipal authority?—Times-Review.

NATIONAL CAPITAL NOTES.

Society Notes From The "Journal's" Correspondent.

WASHINGTON, April 1, 1890.

EDITOR JOURNAL:—From the way invitations are flying around "thick and fast," the post-Lenten season foretells an unusually gay one in official circles.

Cards are out for several receptions and State dinners to be given by President and Mrs. Harrison. These events would have taken place before Lent but for the tragic deaths of Mrs. and Miss Tracy and the bereavement in the family of the Secretary of State. Most of the Cabinet ladies will resume their regular Wednesday afternoon receptions after Easter.

Society has been busy with the talk of the coming wedding of Miss Margaret Blaine and Mr. Walter Damrosch, of New York, and the rumored engagement of Miss Wanamaker and Dr. Melancthon Rutz, of the Navy.

Miss Wanamaker will give an Easter breakfast of sixty covers. The guests will all be young people, and they impatiently look forward to the occasion, as it is expected the young hostess' engagement will be announced at this breakfast. This young lady has landed the "best catch" of the season. Mrs. Cleveland pronounced the doctor the "handsomest man" in Washington, and he is undoubtedly the most popular. However, he has traits that mean far more than a well-knit athletic form, and a Byronic head with closely cropped curling brown hair; he has strength of purpose, nobility of character, kindness and charity of heart. These are the things which have made him the favorite he is. He comes of an old Maryland family, his late father having been one of the pillars of the Methodist church in Baltimore.

Miss Wanamaker is pretty and accomplished, combined with a gentleness and sweetness of disposition that make her unusually attractive. The match is generally believed to be one of purest love on both sides.

The marriage of Miss Margaret Blaine and Mr. Walter Damrosch is dated for April 17th. On account of the deep mourning of the bride's family, the affair will be as simple and quiet as possible.

Mrs. Hearst's home on New Hampshire avenue, which is the center of so much cordial hospitality, was the scene Friday of one of the most brilliant receptions of the season. Mrs. Hearst was assisted by Miss Hillyer, of San Francisco, and Miss Florence Bayard, the young guests of the house. The large supper room down stairs was thrown open, and in it was laid a table spread with every rare dainty. Champagne punch was served from a side table decked with golden jongs.

Mrs. Logan gave a handsome violet dinner at which Bishop and Mrs. Newman were the guests of honor. On Saturday Mrs. Logan left for Chicago where she is invited to be present at a meeting called to discuss arrangements for erecting a memorial to Gen. Logan. Later she will join General and Mrs. Alger, of Michigan, in a trip to the Pacific Coast.

The event of the week was the concert inaugurated by Mrs. Jeannette M. Thurber, of New York. She is striving to place American composers of music and their works upon a national standing. For this purpose she has arranged to give a series of American concerts, of which, the one of last week, was the initial one. The interest felt in native musical art was clearly shown by the large and enthusiastic audience that crowded the Music Hall. A brilliant contingent of fashionable people were seen in the boxes and among the audience, prominent among them were Mrs. McKee, Secretary Halford, Mrs. Hearst and her guests, and their appreciation of purely American art was manifested by frequent and hearty applause.

The programme of the evening was full of variety and interest and showed the growing strength and coming esteem that are in store for the American composer.

After the concert Mrs. Thurber held a reception at the Shoreham which proved a perfect ovation, for it seemed every lover of music and the Stars and Stripes desired to express his admiration and gratitude to her.

The office floor of the hotel was thrown into a reception and banquet hall, every available corner of which was made a bower of growing plants and cut flowers. The walls were covered with the national colors. In an ante-room of the reception suite a string band sent forth soft, sweet strains of music. In the dining room were tables holding great bowls of delicious punch and cool lemonade and tables wherefrom salads, ices and confectionery were served by efficient waiters. Mrs. McKee, looking very pretty in a trained gown of creamy white silk was among the first to congratulate Mrs. Thurber upon the brilliant success of the concert. Senator and Mrs. Stewart were noticed among the guests.

DOROTHY DEXTER.

"The Great Metropolis." Mr. Tilden, representing the managers, Rial & Morris, of "The Great Metropolis," assures us that his managers will give the entire performance of five acts of "The Great Metropolis" at McKissick's Opera House on Thursday evening, April 10th, and that the company will not leave Reno on the night train. All who reserve seats or buy tickets at the box office may rely upon this statement as being correct.

WHAT ON EARTH

Is the reason people will not, can not or do not see any difference in cheap nostrums put up by cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at actual price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as HODD'S BLOOD PURIFIER AND BLOOD MAKER, and every bottle that does not do its work costs you nothing.

ORRUBEN & SHOEMAKER, Druggists

The Marble Works.

A correspondent of the San Francisco Bulletin writes the following concerning the new marble works at Verdi:

As Inyo county, topographically, is a part of Nevada, mining matters there interest Nevada people as much as those of this State. All quartz, marble, borax, etc., found in the ventral treasure-box that California possesses in Inyo, now has to enter Nevada before it may go beyond. A late strike at Bishop, near the Curtis ranch. A number of men have gone there; The Inyo Marble Company, comprised chiefly of San Francisco capitalists, has just decided to put up a large plant for cutting and polishing at Verdi, ten miles west of Reno and 234 miles east of San Francisco. This location has been chosen because of superior water power there found. A small steam mill has been operating at the quarries near Keeler, but steam power cannot compete, economically, with water. A site on the Central Pacific line has been purchased, and buildings with approved mechanism are promised soon. The talk is that this Inyo marble is to go into the new Crocker building, to be put up on the Market and Post streets gone in San Francisco.

Few Political Straws.

R. Saddle returned to-day to Eureka with Miles McKinnon, having come here to fix some business matters connected with his brother. He tells us that he thinks the Democrats will run Hock Mason for Governor, C. H. E. Hardin for Congress, and some California man who has money, perhaps old Jimmy Fair, for the Senate, if he wants it. At his county G. W. Baker is a candidate for the State Supreme Court and A. E. Cheney and Judge A. L. Fitzgerald for the District Judgeship, the latter to succeed himself. Black Wallace has come out for State Comptroller. He thinks that the Republicans will put up A. C. Cleveland for Governor, and if he gets the nomination, believes he will be elected.—Austin Revello.

For Governor.

Speaking of candidates, what's the matter with Tom Wren, of Eureka, for the nomination for Governor? He has ten times the executive ability of any candidate yet mentioned for the place; he is honest, independent and untrammelled by any obligation to, or connection with the objectionable political elements of the State. What do you say, fellow Republicans? Suppose we nominate and elect, just for a change, a man capable of running the office without legal or corporate advice, and who can write his own messages and other official documents without making an ass of himself.—Times-Review.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. feb. 21-sw-ly

Be Sure

If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing, by virtue of its peculiar combination, proportion, and preparation, curative power superior to any other article. A Boston lady who knew what she wanted, and whose example is worthy imitation, tells her experience below:

To Get

"In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me to buy their own instead of Hood's; he told me their's was sold last longer; that I might take it on ten days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I knew what Hood's Sarsaparilla was. I had taken it, was satisfied with it, and did not want any other.

Hood's

When I began taking Hood's Sarsaparilla I was feeling real miserable, suffering a great deal with dyspepsia, and so weak that at times I could hardly stand. I looked, and had for some time, like a person in consumption. Hood's Sarsaparilla did me so much good that I wonder at myself sometimes, and my friends frequently speak of it." Mrs. ELIZABETH A. GORE, of Terrace Street, Boston.

250 Beautiful Lots For Sale!

A RARE CHANCE FOR AN INVESTMENT AND A HOME

THE MOST LOVELY PORTION OF RENO.

Facing the Truckee—The Aristocratic Avenue—Riverside Driveway—Splendid Sewerage—Healthy Location and Safe From Fire.

The proprietor is now ready to receive proposals for lots in Powning's Addition. The map gives a good idea of the tract, which is situated between the Central Pacific Railroad and the Truckee River, and commences on the west at a point three blocks distant from Virginia Street, making it the most central and convenient of any portion of the rapidly growing town of Reno. Unlike any other part of the town this Addition faces the beautiful Truckee River and Riverside Avenue is certain to become the fashionable driveway of the country. The streets are 80 feet wide, while Riverside and Keystone Avenues are intended to be 100 feet in width. All alleys are 20 feet wide. The soil is a rich gravelly loam, and susceptible of the highest state of cultivation. Being situated as it is it is more safe from fire than any other section. The regular lots are 50x140 feet. The sewerage is perfect.

Before Buying Elsewhere Parties will do Well to Look at These Lots.

RENO

Reno's geographical position is excellent. It is on the line of the Central Pacific Railroad, only 154 miles from Sacramento, and 244 miles from San Francisco. It is the terminus of the Virginia and Truckee Railroad running south, and of the Nevada and California Railroad running north. It has two Flouring Mills, Planing Mills, three Nurseries, a Soap Factory, Reduction Works, and other industries. A great Woolen Mill and a Sash, Door, Blind and Box Factory, are about to be established.

Reno has the Bank of Nevada with \$300,000 capital, and the First National Bank with \$200,000 capital. It has two fine papers in the DAILY and WEEKLY NEVADA STATE JOURNAL and the Daily and Weekly Gazette.

Reno is the natural home of the Alfalfa, and therefore the great cattle headquarters of the State. Here are fed the prime beef for the California market. Reno potatoes are the best in the world, and she also excels in Strawberries and the small fruits. Reno Wheat took the first prize at the great New Orleans Exposition.

The State Fair is always held at Reno. Reno is the County Seat of Washoe County, the wealthiest county in Nevada.

Situated in the very heart of the celebrated Truckee Meadows the future of Reno is assured. Reno is the City of Homes. There is not a house to rent in Reno. New buildings are occupied as fast as erected. Reno has advantages which no other town can equal. The climate is mild and genial in Winter, and even and healthful in Summer. There are no excessively heated or severely cold terms, and while the days may be warm in Summer the nights are deliciously cool; in Winter sleigh-riding is the exception and not the rule.

Facilities for irrigating surpass any in the State and there is no failure of crops. Reno has Churches of all denominations, Bishop Whitaker's School for Girls, Mt. St. Mary's Academy, the State University, and splendid Public Schools.

The Reno Water Co. furnishes ample pure, cold water for all purposes. The Reno Electric Light Co.'s electric light system, already well established, is being augmented. The Reno Gas Co. supplies gas for all purposes. The streets of Reno are lighted by electricity.
